To The Government Administrations and Elections Committee,

I am writing to express my support for the Act and proposed bill HB 6100 designating Spinal Muscular Atrophy with Respiratory Distress Awareness Day.

I am in full support to recognize and bring awareness to SMARD.

I have seen very clearly the courage, perseverance, and hope that young Hunter Pageau has demonstrated and I hope that we can continue to bring more awareness to SMARD.

I am in full support of HB 6100.

Sincerely,

Michael J. Freda
First Selectman
